

Becoming a Game Changer Camp

This camp will serve as a chance to get ready for PGA JR League, summer classes, playing opportunities, or the opportunity to welcome new participants into First Tee.

Beginner Level-

- This camp is great for participants who are new to our program and/or new to the game of golf.
- First Tee Coaches will cover all of the basics of both the life skills and golf skills so no First Tee experience is required.

Experienced Level-

- This camp is for returning participants who have participated in a First Tee class before.
- This camp will discuss the life skills they already know in greater depth, and discuss practice strategies to shake the rust off before summer!

BGC Camp Schedule

Paddock Golf Dome
