First Tee WNY Junior Simulator League

IMPORTANT INFORMATION PLEASE READ!

Participants that are enrolled in this specific league should have previous experience in playing on the golf course and should be comfortable and confident with their golf swing.

This is not designed to be a fully instruction-based offering. Instruction will focus more on strategy/gameplay and less on correcting swing faults.

At First Tee WNY, we strive to have opportunities for all levels of play, and we want all of our sessions to be enjoyable for the participants. If participants are struggling to advance the ball due to their golf swing, they most likely will not enjoy this competitive league.

There will be both leagues and regular classes running at the same time so there are offerings for all skill levels!
