Playing Opportunity Descriptions

Parent/Child Tournaments - This opportunity is designed to provide participants and an adult of their choosing, a chance to play in a competitive alternate-shot style format with another pairing. Teams are expected to keep an accurate score and turn in their scorecard at the end of their play. Teams are also expected to follow the etiquette and rules of golf learned at First Tee class and other First Tee Playing Opportunities. Food will be provided during the tournament.

Simulator Night - This opportunity allows participants to come play on a simulator with other participants in a laid back environment. Participants will get to choose between playing games or a course. Food will be provided and a coach will be present throughout the event. This is a social opportunity, not an instruction focused event.

Putt Putt Tournament - Participants will compete on the mini golf course inside the Paddock Golf Dome for score. Participants will play in a group of 4, following all etiquette and rules of mini golf. Coaches will be present to answer questions and ensure proper pace of play throughout the event.

Player/Coach Tournament - This opportunity is designed to provide participants a chance to play in a competitive alternate-shot style format with a coach against other pairs. Teams will play on simulated courses and will turn in their score at the end of their round. Food will be provided during the tournament.
