

2026 Summer Schedule

Summer Dates: July 6 – August 14

Important Information!

Registration opens March 14 @ 10am!

Pricing Structure-

- Harvest Hill:
 - \$125 Traditional Classes
 - \$170 Hybrid Classes

Harvest Hill Hybrid Class Update- This year, we've made some adjustments to the class format that we want families to be aware of before signing up. Each week, groups of 3 will rotate onto the 3-hole course for 45 minutes, while the rest of the class works at the putting green and driving range. Course time is allocated according to availability, so this structure is set and will not vary throughout the session. This means that 2 groups will get a chance on the course each week rather than the full class going out together as in previous years. With 6 weeks in the session, each participant will have 3 opportunities to play on the course. Coaches will determine groups during the first week of classes and will take participant input into account.

- All other locations:
 - \$115 Traditional Classes
 - \$150 Hybrid/Teen Playing Classes
 - \$160 Bob O Link Hybrid

[For more information on any of the class offerings below please refer to our program overview page.](#)

Rochester

Registration for Rochester classes will open on **April 4 @ 10:00 AM.**

The Rochester class schedule is still being determined based on course availability. We will announce the schedule via our mailing list, website, and social media as soon as we are able to. Thank you for your patience!
